# WORK WAY OF ZN SOURCING

**CONTRACT with Buyer & ZN Sourcing:** ZN Sourcing must be committed with the buyer by signing an agreement/ Contract as per buyer requirement.

For the perfection of final shipment, we also follow strictly some steps as below...

## **FACTORY AGREEMENT (CONTRACT)**

ZN SOURCING expect, from all factories, a commitment to ensure compliance with our buyers values, requirements and internal procedures. Therefore, the first step to be an authorized, after selecting the factory to send the Acceptance Letter duly filled, stamped and signed by a legal representative of the company, as proof of commitment to our:

- Code of Conduct and Ethics of our buyer/customer
- Quality standards
- Logistics procedures

The Acceptance Letter should be sent as follows:

In PDF format (recommended)

The document must be named as: xxxxxxxxx\_Acceptance Letter (where xxxxxxxxx is Supplier/factory code)

Send by e-mail to: [znsourcingbd@gmail.com](mailto:znsourcingbd@gmail.com)

E-mail subject: Acceptance Letter/ Agreement letter

Additionally, and equally important, whenever subcontracting is used, before placing a production in subcontractors, you must share with us by a written documents ensuring the quality standards and others requirement also sign our Acceptance Letter and send it to us as proof of commitment. Otherwise, it will be considered unauthorized subcontracting

## Fabric Cutting — Stitching — Finishing

# WORK WAY OF ZN SOURCING

## Factory Selection

To ensure smooth production, our team visits different garment factories on a regular basis. We have a factory evaluation guideline to enlist the vendor as a production unit. This evaluation guideline is international standard. Based on our evaluation, we have selected some factories. They are our regular vendors. Moreover, we are always searching for new factories to expand our production capacity as well as customer requirements.

## Identify supplier

Every factory we deal considering two main evaluations:

- To assess capacity and capability.
- To check environmental control and adherence to Labor Laws.

# OUR SERVICES

**Sourcing:** ZN Sourcing have dedicated sourcing team. They maintain strong relationships with many of the RMG factories, yarn & fabric mills and the accessories suppliers.

# QUALITY CONTROL

Once an order has been placed with a supplier, we take the following steps to see that only correct merchandise is shipped:

- Once an order has been placed with a supplier, we take the following steps to see that only correct merchandise is shipped:
- Before production is started, we obtain approval sample and check it minutely in all respects such as size specification, workmanship, cleanliness and proper fit of the garment.
- We also suggest from time to time, possible improvements in production process to improve workmanship and get perfect merchandise.
- Our quality controllers visit factories at regular intervals, making surprise checks, to see that only the correct quality is produced and reject sub-standard and defective pieces in the production pipeline itself.
- When the consignment is ready, we carry out systematic inspection as suggested by our buyers. If the merchandise is found satisfactory, we issue a certificate of inspection.

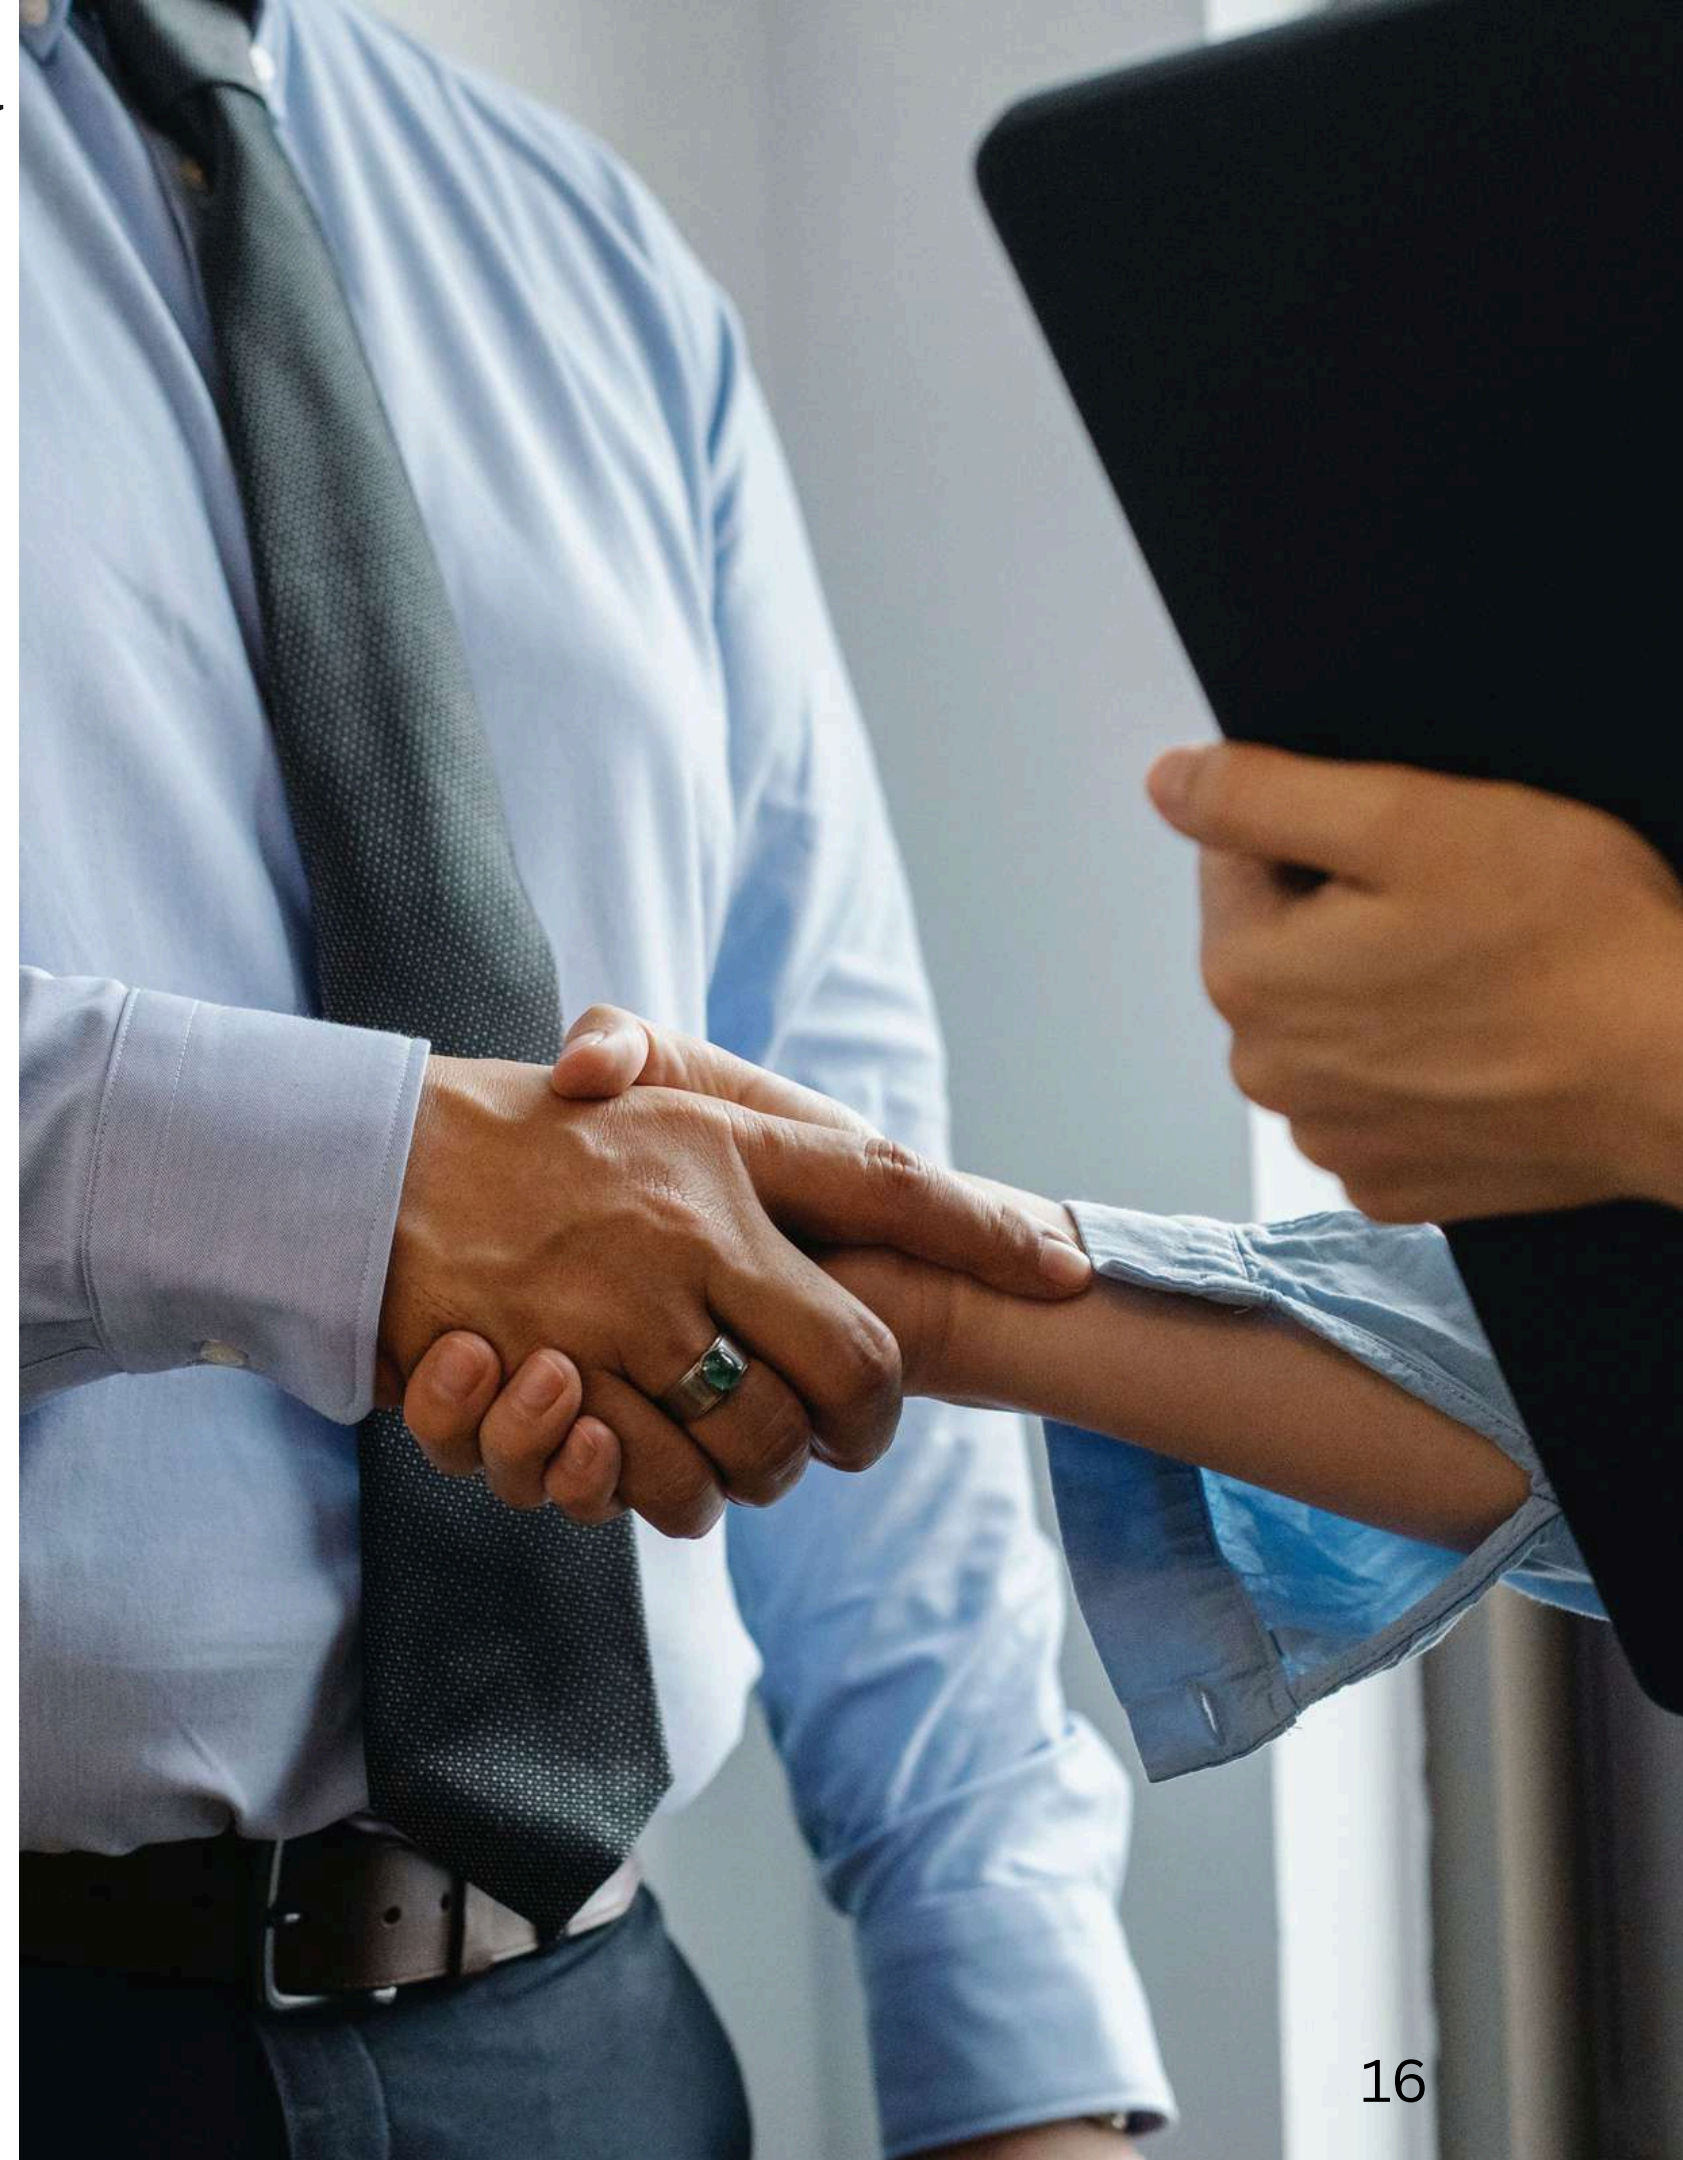

# REPORTING & COMMUNICATION
